

**THE ALL-AMERICAN REJECTS SET TO BLOW FANS AWAY AT
KIA SOUL LIVE AT THE CHAPEL
Invite-only gig confirmed for Thursday, 20th August**

Fresh from international stages, American rockers **The All-American Rejects** are next in a stellar lineup, heading to **Kia Soul Live At The Chapel** for an invite only performance that's sure to blow the roof off Paddington's Uniting Church.

In Australia on tour for Frontier Touring, **The All-American Rejects** jumped at the chance to perform in the intimate, fan-friendly environment of the ubiquitous "chapel". Set to rip through a showcase of tracks from their current album "When The World Comes Down", the pop-punk outfit will treat the exclusive crowd to an awesome set-list including their signature tune "Gives You Hell" and new single "I Wanna".

The All-American Rejects shot to prominence in 2005 and have released a string of hits including "Move Along", "Swing Swing", "Dirty Little Secret" and the ARIA Chart top 3 smash, "Gives You Hell". "When The World Comes Down" has been the best received album of the band's career, remaining true to their pop-punk base whilst attracting a legion of new fans. In keeping with the band's burgeoning popularity, front man Tyson Ritter was recently named as the face of Hugo Boss fragrance "Boss in Motion – White Edition", alongside Sienna Miller.

Kia Soul Live At The Chapel is proudly supported by Who Magazine and News Ltd, along with the Seven Network and Channel V who will once again broadcast the event - transmission dates to be advised.

With two sensational shows now completed, the revamped, Sydney-based **Kia Soul Live At The Chapel** has reaffirmed its status as one of the most loved and respected live music event programs in Australia. The 2009 series will host a further two events following **The All-American Rejects**, proudly continuing a tradition of bringing the highest quality local and international artists to this unique venue.

To score an invitation to **The All-American Rejects** at **Kia Soul Live At The Chapel**, fans should log on to the official web site - www.liveatthechapel.com.au
